Adverse drugs reaction (ADRs) in geriatric patients 169-171
ADR data base 170
American Association of Retired Persons 169
definitions of ADR term groupings 171
distribution of geriatric ADRs 170
in the United States 169-171
multiple drug therapy 169
role of Food and Drug Administration 169
Advisory Committee on Nutrition Education (NACNE, 1983) 147
American Association of Retired Persons 169
American Public Health Association (APHA) 127
Anorexia nervosa 8, 9
diagnostic criteria 8, 9
Eating Attitudes Test (EAT 26) 8, 9
therapy 9
Arndt-Schultz law 172

Balantidiasis, endemic in Seychelles 13-15
age distribution 14
incidence 14, 15
pig principal host 13, 14
polyparasitosis 14
sex distribution 14
study area 13
Baragwanath Hospital in Soweto 108,109
utilisation of resources 109
Book Reviews 33, 72, 109, 149, 188, 224
British Association of Sport and Medicine 56

Cancer and diet 191-193
alternative treatment examples 191, 192
Bristol diets 192
Gerson diet programme 192
need for independent trial 193
Candidiasis in Nigerian students 213-215
age group variation 215
anatomical body sites 214
need for education 215
Community Health Councils (CHCs) 44, 45
operation of CHCs 44
role of CHCs 44
role of nurse 44, 45
Community Health Care in Kenya 174, 175
Kenya Fertility Survey (KFS) 174
medical education 175
need for doctors 174
population growth dilemma 174
shortages of doctors and drugs 175
Committee on Medical Aspects of Food Policy (COMA) 147
Contraceptive advice, English and American 77-79
alternative methods 78
need for liaison 79
oral contraceptives 77
Contraception among female Nigerian students 60-62
age distribution 60
background knowledge and methods 61
need for sex education 62

Dental enamel 5-7
behaviour in oral environment 6, 7
chemical changes during development 6
chemistry under carious attack 6, 7
composition development in animal teeth 6
development in human teeth 6
formation 5
nature of mature human enamel 6
Designing for the elderly 1-4
role of the Beaumont Group 2, 3, 4
role of the nursing home 1
the concept of age 1
Total Care Units 1, 3
Diarrhoeal deaths in India 19
influence of breast feeding 19
oral rehydration therapy (O.R.T.) 19
role of health education 19
Disabled Persons Act (1944) 51
